“ I want you all to know I would have been there if I could. I have to work seven day per week until we hire another security officer. I remember Joe more during my younger days, he was one cool man! You are going through the pain I've been through, and I know how hard it is to deal with it. You are all lucky to have had Joe in your lives for so many years. He will always be in my thoughts and prayers with my parents. I think about and love all you guys very often. Hope to see you soon!
