“ Tina, Elijah, Greta & the entire family:
I was so sad to hear of your loss. Josh was a wonderful person. We enjoyed being around him so much when he played on the Outlaws softball team with Doug. Elijah, I remember from when I worked at Movie Gallery and you used to come in with Greta, how you adored Josh and idolized him so much. I know he will be sorely missed. You are all in our thoughts and prayers. May God bless each of you during this time in your lives.

“ Tina:

Having just experienced the same grief and sorrow, I know what you are going through. There is no other pain like losing a child, and especially in these circumstances. Kayla is my last thought at night and my first thought in the morning. The grief doesn't go away anytime soon. My only peace comes in God. Please accept my very sincere condolences. I will keep you in my prayers and pray that you will find peace yourself. May God Bless You and comfort you during this most sorrowful time.
