“ *Mamaw I love you and although I will miss you very much I know that
you are in the mansion in heaven that God built for you and now
you are no longer suffering. That is the only peace that I have to
hold onto. You were the most humble woman that i ever knew, even
though u suffered many tradgedies in your life time now you will get
to be with Virginia, Tommy, and Jimmy. One day Papaw will be with
you. I love you and will think of you each and everyday of my life.
Love always,
Myra & Gracie*

“ Mamaw I just wanted to say that I love you and that it has been an honor being your great grand daughter. I hope that I brought you happiness in every memory that we have shared along the way. I feel that I have received a valuable gift from you, one that cannot be replaced and among love it is strength! You went through some hard times and I have as well, and I think I get my heart from you. Sleep tight with the angels mamaw and know that we will miss you and that one day we will all be together again. Also I promise to look after papaw for you, I know that you would worry for him. I know that you are shining down on me from heaven and I smile with the peace and comfort of that thought. Goodbye mamaw. Love Jamie
