Grandma, I love you and miss you so much, we all do, to be honest, you was a great-grandma and mom I just wish I can give you a big hug I wish you were here right now with us but it's too late it's really hard to believe that you are gone as your grandkid. I and mom have been thinking of the good memories but it still hurts I can't even talk or think of the good memories without crying right now it's even hard I love you
