“ *I have been so honored all my life to have the love and kindness of this wonderful family. Celebrating birthdays with her and my grandma and Uncle Cecil have etched a very special place in my heart. Visiting her family has given me memories that will last all my life and I pass down to my children. The wonderful picnics, family dinners, going to visit other relatives and listening to Uncle Cecils stories and the infectious laugh that my Aunt Juanita has I can still hear laughing at Uncle Cecil, these are the memories, the hugs, the kisses, playing in the yard, and running from Uncle Cecils dog, (Robbie and I were really afraid of her) but she seemed to tolerate Robbie with Uncle Cecil than I. I just wanted to snuggle with my uncle but that was hard to do.*

*I am so thankful to be so blessed that I too will share in the reunion in heaven with my beautiful family.....I look forward to seeing you again my sweet Aunt Juanita and I will put my arms around you and kiss your beautiful face.*

*I am sorry I couldn't be there with your family on this occasion.....I love you and miss you very much!!*

*I am so sorry that we are unable to be there for you and your family during this time of such great loss. We have always loved Nita-I can still hear her singing "Crumbs from the Table" and she no longer has to ask for those-she has access to the complete menu. She was such a great blessing to all who met her. Billy, Jimmy, Lou Ella-we love you and ask that God would give you strength to endure the present and for wonderful memories of Nita for the future-Love you-Glenda/Doug*
