

Juanita Viars White

September 16, 1949 - September 3, 2014

Ms. Juanita Viars White age 64 of Owosso, Michigan traveled to Richlands, Virginia for a family reunion and was called home suddenly by God for a heavenly reunion on Wednesday, September 3, 2014.

She was born in Matewan, West Virginia and was the daughter of the late Walter and Mae Hatfield Viars who were former West Virginia natives. Juanita was a dedicated and loving mother, sister, sister-in-law, grandmother and friend. She had spent her life being a help to others, she was a giver, always giving of herself. She had attended Cosmetology School and had at one time owned her own beauty shop. In her spare time she loved to decorate, many people commented on the appearance of her home. She later became a nursing aide and worked at Pleasant View Medical facility, spending time with those who needed her. Juanita loved life, and had a very vibrant laugh, people knew her distinctive chuckle and it always lifted their spirits. She was a faithful church member and attended the United Pentecostal Church in Owosso, Michigan. She had left the Richlands area and resided in the Owosso, Michigan area for the last 36 years. Juanita will truly be missed by all who knew and loved her.

In addition to her parents she was preceded in death by her loving husband, Benny L. White, sisters, Loretta Hurley, Freda Clifton and one brother, Darrell Viars.

Those who remain to carry on her spirit are:

Her four sons:

“ I send the family and church family and friends of Sister White my deep condolences. I have always had a spiritual connection with Sis White that many of you may not be aware of. I can guarantee many of you can relate to this though. Have you ever come in contact with one of God's creations where at that first moment of contact you knew that person was specifically put here for a specific reason. That is how and what I felt the first interaction with Sister White she was more than a person. I have always called her my Angel she was sent to help us that needed the confidence in God's love and compassion for us. She was and always will be one of the most amazing creations of God that I had the privilege to know. Thank You God for lending us the one of many spirits of heaven to all of us

“ *The first time I saw Juanita was at Pleasant View. She was smiling and chatted happily as she arranged wheelchairs on 1 East. Without knowing anything about her I knew I would like her.* ”

We were working one night when I said that I thought I would go to Grand Haven on a trip. She invited herself along! We had such a good time together that we went on many more trips after that. At first we didn't need to take breathing machines, distilled water, our prescriptions or extra teeth. Now she has no need for any of that. I will miss her.

“ Juanita was one of my best friends when my husband died she called me every night to make sure I was ok and helped me more than she'll ever know. I will always remember all the special times spent with little Peyton and all the games we three played also all the trips to the local parks. You will be so missed. You were such a respectfull woman and lived by all your beliefs. Granted you could get carried away with feeding everyone so much food and get carried away with your opinions but that was you. I will miss all these special times but now you are out of pain and where you wanted to be. And don't worry I will always be there for Peyton as much as I can be as we always joked about. Will miss you so much. Good bye my friend. Love- Janet.
