*I truly thank God for being able to meet the beautiful and kind Ms. Judy Shaw! She did not know a stranger and made my family feel welcome from day 1 at Destiny. The love of God genuinely flowed from her heart to the next. She touched the lives of sooo many little ones for the glory of God, even when she did not feel well. What an example! May her legacy of love & labor for God and people continue on in you all! Please know that you are in our thoughts and prayers! We love you sooo much Lilly! Joy, Charity, Anneka, & Fernando.*

*Judy was a wonderful person who gave so much of herself to others. She was a lady of many talents. And for as long as her health allowed she never said no. I know that when I was a supervisor at a local assisted living facility she came and did activities with the residents several times. She even found the time to paint a beautiful picture for my wife who is now deceased. Judy I know Charlene will be happy to have you with her in heaven, but know you will be missed here on earth. You were a special person. Love Charlie Smith .*
