“ *Bernice you are in my heart and prayers, I am so sorry for the loss of you mother, but she is like my mother, they are where there is no more pain and sickness, no one can ever take their place in our life, we must believe in God and one day we will be with them again. I don't drive any more David takes me to get groceries when he comes home from work on the weekends. We never see each other since I quit work, but I do still think of you as a long time friend. I know there will be very hard times for you, but God will help you get through those times, Love you and miss you.*

A poem

I'M STILL HERE"

Friend, please don't mourn for me I'm still here, though you don't see

I'm right by your side each night and day and within your heart I long to stay.

My body is gone but I'm always near. I'm everything you feel, see or hear.

*My spirit is free, but I'll never depart
as long as you keep me alive in your heart.*

I'll never wander out of your sight-I'm the brightest star on a summer night.

I'll never be beyond your reach-

*I'm the warm moist sand when you're at the beach I'm the colorful leaves when fall comes around
and the pure white snow that blankets the ground. I'm the beautiful flowers of which you're so fond,*

The clear cool water in a quiet pond.

I'm the first bright blossom you'll see in the spring, The first warm raindrop that April will bring.

*I'm the first ray of light when the sun starts to shine,
and you'll see that the face in the moon is mine.*

When you start thinking there's no one to love you, You can talk to me through the Lord above you.

*I'll whisper my answer through the leaves on the trees,
and you'll feel my presence in the soft summer breeze.*

I'm the hot salty tears that flow when you weep

*and the beautiful dreams that come while you sleep.
I'm the smile you see on a baby's face.
Just look for me , friend, I'm everyplace!*
