“ I taught Kansas at Lebanon High School several years ago. She was in my 10th grade English class. Kansas was a good student and one of the funniest students I have ever taught. We loved to “pick” at each other. She had such a great sense of humor! I saw her several months ago in the veterinary clinic and we had another humorous conversation! I am so deeply sorry for everyone in her family and circle of friends. Kansas will be greatly missed by all.

“ *Precious Kansas was so kind, compassionate, thoughtful, and loving. She helped our Maddie dog and our family so much. Kansas went way above what was required in her job. Her love shined through her as she showed each animal patient the gentleness and kindness they deserved. Kansas would recognize my voice when I called, and she was always so patient and loving when I asked her questions about Maddie. No one can replace sweet Kansas and she will be so greatly missed. May God comfort her family.*

“ Pete and Becky, our hearts are broken for you at the loss of your daughter. She was such a sweetheart. Always had a smile on her face. My daughter, Zoe, worked with her at Crab Orchard, before going to the sister office in Honaker. She LOVED Kansas and said she was always happy, funny, and worked harder than anyone. Our prayers are for you to be comforted. Nothing can replace her. She was a treasure!
