“ To Mary Liz and Brook and the rest of the family...My sincere sympathy in the loss of your dear sweet Mom...She was one of a kind...I always enjoyed my home health visits with her...She always made me laugh even when she didn't feel good...I know she got tired of all our poking and prodding on her...But she's were she won't have to endure all those needle sticks and suffers no more...much better place than here....I'm sure she's even had some of the goodies she's not been able to eat.. :)....May God watch over you and through Him may you find the strength in the days ahead to cope with your loss.....You are in my Prayers...

Love,
Jane Ellen
