“ It is with such sadness that I've heard of Kathy's death. Eventhough it has been many years since I've lived in Tazewell or been in contact with much of anyone there, it is still "home" and I often think of those from my growing up and young adult days there. I worked with Betty at Tazewell National Bank in the late 70's and went to THS with Kathy, Terry and Tony. Tim was the cutest ring-bearer in my wedding in 1976. I've YET to meet a finer lady than Betty!!!

My thoughts and my prayers are with all of you during this time of such great loss.

With all my sincere sympathy,

Kathy

“ So sorry to hear about Kathy, she will be missed. Myranda and Chelsey were saddened to hear,they always talk about the good times they had while Kathy was their babysitter. She was great with all the kids. Her personality will always be remembered,there was always a laugh,a smile,that all that knew Kathy will be remembered.

“ *Kathy was a wonderful neighbor and friend to my mother and was always there for us when we needed her. She was of great support when my mom passed away. She always seemed very strong like nothing could ever hurt her so it was very sad for me to hear that she had struggled so much and has now passed on to a better place.*

I hope that all of the family finds comfort knowing that she is no longer in pain and suffering but is now watching over you and keeping you safe.
