“ Sending our condolences from Canada to Rachel, Michael, Todd, Kenny and family hoping that this wee message will show you in some small way the sympathy that words alone can never really say. I personally enjoyed my discussions with Mr. Mulkey and his wife at the Baseball field while they were there watching their Grandson play and cheer on the Bulldogs. We talked about Bluefield College, Baseball and woodworking until we were all "slivered" out.

We hope you will always remember the way he laughed, the stories he told, the planning and guidance he gave and the fishing expeditions with Todd and friends. He shared his friendship, he made sacrifices, he set an example and you should always feel his love. As you remember your Husband, Dad and Poppy, know that you are being thought of by your extended Canadian family with great love and affection. Truly wish we lived closed and could be there with you all this evening and tomorrow. Sending HUGE long distance hugs from Canada. With our love Ernie, Mari and Rooster Pearce and family <3
