“ *I have so much I want to say. You & I were so close, we shared so many memories & had such a closeness that I don't have with anyone else, we should've been sisters. I am going to miss YOU!!! It seems you always tried to make others smile & you had a warmness about you & you truly had a good heart!!! I am SO sad that God has taken you so soon, but you are with Aunt Jean now & I'm sure she gave you a big hug when you walked into Heaven. But, now you can be a guardian angel now & help keep the rest of us on safe ground. I am going to miss you cous.....terribly. I love you Kim~~*

“ My eyes filled up with tears as I heard the news
It never occurred to me, how much I could lose
I find myself wishing that it wasn't real
Every time I think about it, pain is all I can feel
Tears fall from my eyes, I can barely see
But my heart tells me that she'll always be with me
I'm glad she feels no pain now-she lives in a perfect land
I can still feel the soft touch on my shoulder of her loving hand
I lie in bed and cry at night
And I don't feel any better in the morning light
And I will love and miss her forever
Until the day we are again together.
Together in that perfect place above,
Filled with caring, sharing and love
But until that day comes- I will wipe my tears away.
And hopefully see her again someday
