“ *Kim, I wanted to thank you for being with us for the short time you were a part of our lives. I was looking forward to having you as my daughter in law, on 08 April 2006. You will be extremely missed by my son, James, my granddaughters, Ashley, Alesha, and Amber, and myself. You provided James a beacon of light and inspiration to me. God Bless, Toni*

“ *I'm Free*

*Don't grieve for me, for now I'm free.
I'm following the path God has laid you see.
I took His hand when I heard him call.
I turned my back and left it all.*

*I could not stay another day.
To laugh, to love, to work or play.
Tasks left undone must stay that way.
I found that peace at the close of the day.*

*If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss.
Oh yes, these things I too will miss.*

*Be not burdened with time of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much.
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief.
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee.*

God wanted me now; He set me free!

“ Burgess, Linda, Jay and Evan:

Kim's untimely passing is not just tragic; it's a time mark in all our lives. There haven't been many dry eyes lately. One had to be made of granite to not be moved by the outpouring of love and support for Kim, especially in her final days.

Burgess and Linda: Michele and I are deeply saddened for your loss. Kim was a genuine sweetheart who became even better when she asked Jesus Christ into her life. Her testimony and belief allowed her to handle herself with grace and dignity to the end. You raised her well.

Jay: Please take care of Evan. He will need you so much in the coming years. We can't even fathom how he'll feel as he gets older, knowing his mom isn't here for him. Michele and I hope you'll continue to let him play with Nick, as they, even at their young age, developed a unique and special relationship that could, potentially, last their entire lives. We're sure Evan and Nick will appreciate that as the years go on.

Michele and I pray for all of you. It's a difficult time for all of us, made easier because of our faith and trust in our Lord. Please don't hesitate to call if you need anything at all.

“ I am so sorry that I could not attend the funeral service or memorial service. Kim was my dear friend. We celebrated our babies together. Evan and TÚa were the best of friends and we enjoyed having coffee each morning while watching the kids grow. I have several memories of Kim and they will always be in my heart; each and every day. She touched everyone in a special way that will never be forgotten. To Kim's parents, Evan, Jay, James and all her friends; my prayers are with you all. I love you Kim!

“ Linda, Burgess, Brian, Kim's family and friends,
There was a flood of emotions, that came about when I learned of
Kim's passing. Shock, sorrow.... When I read about her life, I
realized that Kim continued to be the sweethearted, warm and
ambitious girl I knew in school. I do not know the circumstances
surrounding her death, or the pains that were suffered at that time
but I want you all to know that my family and I am truly sorry for your
loss and will pray for you in hopes to ease your suffering.
I regret I did not keep in touch with Kim after school, but knowing
that she knew the Lord, our savior, gives me peace of heart. I will
see her once again in heaven.
With Deepest Sympathy, Tammy

“ I am so saddened to hear of Kim passing away. My son and I were away for the weekend and did not get word till mid morning Monday. She was a good friend and I will always remember her gentle spirit and sense of humor. We had a lot of good laughs and I will miss her and our sushi nights. She was strong in the Lord and I know that she has taken her place with the saints. My prayers and condolences to all her family.

“ *Burgess and Linda,*

You have to be proud to have raised such a smart, loving and beautiful girl.

It was a blessing to me to have her in my life. Kim has provided me with support during my Divorce, friendship and a funny friendly Son to play with my Daughter, Paris. She allways had the inside scoop on where to go for entertainment. New parks that I had never heard about, festivals or places we could go with our children for fun.

I know this is very hard on you both. I'm sorry for your loss. I'll just say that Kim has been a positive influence in about everyone's life that she was allowed to enter.

Peace to you both.
