“ Barbara, Jimmy, Earl and Christine and all the family, my prayers are with all of you we will miss Kirby deeply. I never spoke with Kirby that whenever I asked how he was, he would always answer with " BLESSED I AM" We was all blessed to have had Kirby in our lives for this season. I will always remember that when I was a little girl, no matter how busy he was, he still made time to make a date to take me motorcycle riding because he knew it meant a lot to me. I loved it as I loved him. I will be waiting patiently until we meet again in the next season of our lives. I think the next time we meet we might even dance!!! I love you all.

“ To: Barbara, Jimmy, Earl, Christine and all the Children that Kirby loved so much. So sorry for your loss, but it is only a temporary separation. Kirby said a few days ago that he would be "flying" soon. I know that my Dad, Harold Cole, and Mom- Ginny- welcomed him and it was a great reunion, but most of all I'm sure he wanted to see Jesus. My family was so close to Kirby and all his family, just like my own. We go way back to when I was a little girl, and Uncle Stuart gave me my first dog, Tiny. So many memories, so much love. Kirby was so much fun. I wish I could be with you all. I love you all and hope to see you again soon. My love and prayers for your healing in this hurt.

My deepest heartfelt sympathy to the entire family. May God comfort each. As others have said, he never met a stranger and would go out of his way to say hello, and rest assured he would pay his last respects. I remember he'd been trucking out of town when my Dad passed. but he made the trip back in time to pay respect that second evening of Dad's wake. The world would definitely be a better place if we had more persons as compassionate as Kirby was. Even tho he's gone on to meet his God, he will not be forgotten by many left behind.
