“ I was so very honored to be acquainted with him. He had such a loving spirit never complained, never letting anything get him down. We graduated the same year 1998 from RHS. And I was there on Prom night I'll never forget the look on his face when they announced he was Prom King (it was priceless). I also got better acquainted with him at SVCC having lunch with him several times enjoying him laugh and tell jokes. He will be always be loved and Missed.

“ It was truly an honor knowing Kurt. His love and zest for life was like none other. He was a hero to all of us who attended school with him. He taught us to never give up. Like Cleressa, I was there the night he received the Prom King honors. It was truly a spectacular moment and I am blessed to have been able to share in that. He taught the class of 1998 more about life and caring than anybody ever had or ever will. Kurt was an inspiration and a light to everyone who knew him. I will miss him dearly.

“ I first became acquainted with Kurt at the rec park party after our high school graduation. For years, I often saw him at the Richlands movie theater, and when we later became friends through our involvement with Phi Theta Kappa, found we shared the same love of movies. Kurt was extremely bright and had wonderful insights into so many topics. He was caring, often hilarious, and had a great laugh. Unfortunately, the friendship we established waned after I graduated from SVCC, but I was always curious about his keychain acquisitions. I never thought I'd see this day because Kurt was so full of life. He will continue to be that way in my memory.

“ Don & Lynn,

Just a note to let you know that we are praying for you. God blessed you with a very special son. Kurt was also blessed to have you to care for him with such love for these 25 years. I know we haven't been able to see each other as much these last few years, but we think of you often. We love Kurt and we will never forget his life! He was an inspiration to so many!

I thankful that we have the promise of God's word; to be absent from the body is to be present with the Lord! Remember you can't lose something when you know where it's at! We will see Kurt again!

We are praying for you! We are hoping to attend the service tomorrow.

May God comfort you and encourage you during these days.

Your long time friends...the Pauleys

“ Kurt was an incredible man. He broke all the rules from the time he was born right up until he left us.

By sharing his knowledge and experiences with EB, he has made an enormous impact on others enduring the daily fight with this disorder. He taught me so much about living with EB, not just about surviving with it. I have been able to help many other EB families through the knowledge and perspective I gained from Kurt. His contribution has been enormous! I appreciate how he helped me professionally but on a personal level, I am a better person for having known him. He deeply touched me, my husband and my children. Among other things, he taught us that ?If you can dream it, you can make it come true!?. He will continue to motivate me to keep working with EB and ultimately, hopefully, to help find a cure! Thank you Kurt, from your EB Community.

*Much love,

“ Don and Lynn,
I want to express my sincerest heartfelt sympathy for all of you during this extremely difficult time. While I was Kurt's homebound teacher for two years, it was I that learned the most. Kurt taught me that living was to make everyday as wonderful as it can be. Watching him fulfill his dream with his keychains, being dedicated to his education and living his life with love and laughter. He was a remarkable young man, and he has touched my life forever. Having a son myself now, I often think of the time I spent in your home and how Kurt was loved by everyone. I will always remember Kurt's laugh, it was genuine and precious, just as he was. It is my prayer that you and yours find comfort and strength during your loss. I know that Kurt is not in pain any longer, and that he is with our Lord, smiling that beautiful smile and laughing that wonderful laugh, watching over his family now, just as you watched over him while he was here on Earth. My prayers are with you and yours always.

“ I, like everyone who met Kurt, was so impressed with his wonderful, unflinching positive attitude and sense of humor in the face of such adversity. What a blessing it was for me to be his Spanish teacher for two years! I'll never forget the fun we had making puns out of the word "toro"! What a wonderful, loving and dedicated family Kurt has! I know that your tireless dedication to his care was what enabled him to stay with us for his 25 years - God bless you! He was truly a loving, kind person who will be greatly missed and lovingly remembered.
