“ Dear Sandra, Sherry and Derrick and other family members: I grew up around you and your music. I am Mr and Mrs Lanes youngest granddaughter. I am so sorry to have recieved this news this morning. I know how much you all loved him and want you to know that he will be missed. His legacy will live on through the life he lived and his children and grandchildren. I can remember as a child, listening to The Jackson family perform and what an impact that left on me. Although I cant be there for services, please know that you are all in our prayers and that he will be missed. He is resting now. We love you all.
