Larry Dean Stiltner, age 59 of Pounding Mill, VA passed away quietly in his sleep Thursday, September 7, 2017 at his home, surrounded by his family and the love of his life, Little Mellie. To Mellie and all the Stiltner Brothers and Sisters and their Families--- I am so sorry to get this sad and tragic news about Larry. I'm rarely in contact with anyone in the family since my mother Elsie passed away along with my father Billy and brother Eddie Dean. Since they've gone I have no family left and dealing with the news of death is pretty tough for me. I hope and pray that during the days, weeks, and months ahead that your large family will be supportive and feel the blessings of having a good family to rely on during these emotional times...I know for a fact the experience isn't easy. I also truly know in my heart and soul that Larry is in eternity with God and other family who has already gone on. God allows us the promise of our loved ones to be waiting for us, and this is a promise that keeps my mind from falling apart when sometimes the sadness is too much. My prayers are with all of you always. ---Curtis Childress
