“ I love you beautiful. My heart is so very heavy that you're no longer with us. The world will not be the same without you in it. You are so loved by so many. We miss you so much. I hope that you are at peace. If you see my granny up there ask her to cook you an awesome meal.

I have had your voice in my head singing songs for eternity, and they'd get stuck in my head and I would think of you and smile.

What I wouldn't give to sing along with you again.

I will miss you forever.

I love you so much Tesha. <3

“ Tesha, you were always so beautiful inside and out, and the sweetest angel, I told you many times how proud I was of you and how you loved your baby boys, I would always browse your Facebook to read your posts of your cute little family, you were a amazing mother. I still don't understand why it's you? God really does take the best. You will live on through our hearts and in those beautiful babies. I miss you so much and I am so sorry I didn't make it to see you.. for like many of us, We all take life for granted and none of us were ever ready to say goodbye to you. Love you forever sweet angel. Love Lorrie, Sasha and Ray
