“ *May God keep you all in His grace and mercy! I had not seen her in many years but always thought of her every time I passed through the gap. She was such a loving person her whole life. My mom talks about her letting them come into her home when she was young, just to get warm in the wintertime. I remember her sitting on the porch often. I lost touch with the family many years ago but want you to know I never quit loving her or you guys! God has gained an angel.*
