“ *Our sincere sympathy to the family. Bob knew Laymon from the livestock market and spoke very fondly of him. Although I never met him I feel I knew him through Makayla. at Generations Child Day Care she shared lots of good times she had with her Papaw. I know she was truly his "doll" ! Cherish all the wonderful memories you all made with him.*

Our thoughts and prayers are with you.

Love,

“ He was a soft spoken country gentleman who will be greatly missed. By not only myself and Joe, but by my grandsons Aiden (5) ,who worries who will take care of the tractor and Zac (2), who would rush on his little legs to talk to him. I will miss talking to him and laughing at his jokes. Goodbye to a great brother in church, neighbor and friend.

there are no words that I can say to take the pain away for losing someone so very special to you all..We always ask how are you doing and how sorry we are for your loss,but when someone knows what you are going through and how things really are we already know the answer to that.Brenda and Danny and family hold on to the wonderful memories as I know you have many and I do know he dearly loved his granddaughter for I heard him speak of her often when he did work for us and how proud he was of his son,and Brenda you were the light of his life and best friend and soulmate in the whole world.If you ever need to just talk Brenda call me at anytime day or night and we will talk of the two wonderful men we had in our lives Laman in yours and Willard in mine and how many happy years the Lord blessed us to have them in our lives and to know that both of them became Christains and were very faithful to the church and loved serving their SaviorLove you all dearly and my prayers are with you all
