“ Dearest Debbie,
Our thoughts and prayers are and have been with you during these past few weeks. You know you are in our hearts.

There are no words available to say what I'd like to say. Losing someone you love is the hardest thing we will ever have to face here on earth. We know in Heaven, that will not be a problem. Our job - as those left behind to mourn - is to stay strong in our faith and know that God is near. During this time, remember to look up - and know our home will be there.

Leisha is gone too soon, but she left a wonderful legacy of love. That's something we never say enough to those we love while we're here together. It takes death to make us appreciate what we have, who we have, and where we live. God is always beside us. Just know you have Him to lean on - and so many who will be there for you.

Leisha's battles are over - and she has won. She is waiting on Heaven's shore. When it is in God's time, we will see her again. Until then, you have your memories. Hold on to those precious memories and know you are loved.

Leisha held a very special place in our hearts. She will always be there. She won't be forgotten.

Due to Mom and Dad's health, we will be with you in spirit. Always know you hold a special place in our hearts. We love you. I want you to know that we are here if you need us.

With much love and sadness for your loss,

Granny, Poppaw, and Aunt D
