“ Dusty,

I send to you my deepest heartfelt sympathy in the loss of your dad. Mr. Ballard will always be someone I will remember as a caring person from the Lake Park community. He would always have a smile, hand wave and a kind hello to share with his neighbors. Its the kindness of someone that people tend to remember most about a person instead of all the accomplishments their life contained. One such act I will always remember is the time he gave his dog to the Diepholz family after their daughter had grown very attached to it.

May God grant you peace and comfort during this most difficult time.

“ Dearest Nell , Dusty & Family ,

*I met Les , his lovely wife Nell & baby son , when I was very young . Les & Nell always had a smile & kind word for me & everyone else. Les had a Heart of Gold . He introduced four Governors & Danny Bird to Richlands & area workers. He worked very hard for our area. Les did much for the less fortunate & wanted no glory or thanks. He is what I call an UNSUNG HERO . I ask him once, who's the most important person you know ? He responded " My Lord & Savior Jesus Christ " I was so BLESSED to be considered as his friend . He will be greatly missed by many. MY LOVE & DEEPEST SYMPATHY to each one of you . May GOD wrap his arms around you in comfort. LOVE YOU ALL , YOUR FRIEND

“ *Dusty and family,*

Your father served his church faithfully. We sought his advice on many matters. He would come in on a Wednesday night or Sunday night when he was able. I remember what friends Pastor Herrin and he were. I would like to think of them both having a conversation again together. I admired him and think of what an asset and resource he was to us. It is hard to find men of character sometimes these days. You have a father to be proud of in his service to others and his faithfulness.

We will miss him. May God bless you and your family during this time.
