“ Mister Smith was a really good person and his family are all an important part of the community. He always had a smile and spoke kindly of all. He purchased the property which I used to own on middle creek a while back and will be greatly missed by all! I knew his DAD long ago and not a better family exists any where on earth !

“ I am so sorry for your loss of Lester. He was a cousin I always loved. Haven't seen him much in years. I actually drove by where I thought he lived last week but didn't see anyone. He was probably in the hospital then but I didn't know. Hi to His and Eva's children I haven't seen any of you for ages. God bless you
