“ *You've left me with sweet memories. That all seem like dreams. Your face I,ll never forget. You're everywhere it seems. I long for those thoughts, for thats all I have left. My days will be much brighter, because of those memories I've kept. I know you are with jesus, In a place of solid gold. So i'll keep those memories with me. While them close to my heart I'll hold. I love you Rat and will never forget the friend you were to me.*
