“ *Dear Darlene & Boonie*

*Thru the miles thru the years, Aunt Lucille has always held a place in my heart. She will always be remembered especially for the times she took care of dad when he had rheumatic fever, She always had some of the sweetest stories to tell. She and Dad are singing together now with Gods angels. They both will be greatly missed. I love you all
God Bless all of you. Love cousin,
Corinna*

“ *Darlene and Bonnie as well as all of your family.. Just wanted to let you know how sorry I am. Aunt Lucille was like a mom to me and she will be greatly missed by many. She made my childhood a happy one whenever it was possible for her and Uncle Nealie to keep me and I just wanted to let you know that we also share your grief as well as some of the memories and most importantly the love. If I can do anything, please let me know. I wish I had of known so I could have been there for you all but please know you all are in my thoughts and prayers.*
