“ I'm sorry to hear of your loss, I really admired your mom. Many years ago she prayed me through at a time I thought I couldn't make it. I know she'll have a jewell in her crown for that prayer.

“ To Donna, Carol and the Scyphers family. I am so sorry about the loss of Mrs. Scyphers. She was a good woman, and will be missed by everyone who knew her. I now work at the Bradshaw post office and many Bradshaw residents were upset when they heard of her passing. May our prayers be with you and if there is anything I can do just let me know. Love and prayers to the entire family. Linda

“ Mae was very special to us from day one. She was such a Godly woman, and she was such a blessing to us. She may be absent from us, but she is present with God. We pray that God gives you the comfort you need to get through this hard time. You were so blessed to have a mother like her.

Our prayers and thoughts are with you.

“ To the Scyphers Family: I would just like to say that my thoughts and prayers are with you at this time. I know your Mother raised you to believe in God and his strength will carry you thru in this time of grief so lean on his loving arms and know that Mommie is now reconciled with Daddy. You know they been missing each other.

To Donna: You know we're enough alike to almost be sisters and my heart breaks for you. I love you.
