“ *Karen,*  
*I know we haven't even seen each other in years, but I am so sorry about your sister.*  
*And as I always say, a song may have ended but the melody goes on forever.*  
*Just keep her in your heart, and you'll have her forever.*

“ *I took care of Ms. Lindsey for a little while at heritage hall, and she was always a joy to be around! I always looked forward to seeing her everyday and listening to her talk about football, especially if the redskins were playing. She will be truly missed by all who knew her.*
