“ *I worked with Linda at the Jewell Ridge Post Office, and she also worked for me some at Amonate, Linda was one of the sweetest people that I have ever had the pleasure of meeting and working with. I feel honored to have called her my friend. Every time I talked with her, she was always talking about her family, she loved you guys so much. She would also talk about her church family and how much she loved the Lord. The world has lost one of the finest women I have ever known. But our loss is heavens gain. My thoughts and prayers are with you during this time of sorrow. God Bless You*

“ Ken and Family,
You probably don't remember me but I knew Linda throughout high school. She was a good friend. I talked with her last year at Richlands Elementary. Linda never changed from the time we met until the last time we talked. I am thankful for her presence in my life. Heaven was created for a lady like Linda. Please know that your in my prayers. God comfort you as only he can. Linda knew that this was not her end but a beginning. I trust she will be the first to welcome you all when you begin your new life in Heaven.
God Keep You In His Tender Care.

“ *Linda and I met when our church went to Jewell Ridge Presbyterian Church on a mission trip 20 years ago. She was always kind, caring, and so hospitable when we came each year. Her love for Ken and her family was boundless and she worked tirelessly for them and for her church and community. I will miss her and the fun and long talks we had together, but her legacy of love and compassion for everyone will live in my heart forever. Well done, good and faithful servant, well done!*

“ *For all the loving members of Linda we the family of Ray and Betty Compton would like to offer our heart felt concern in your time of sorrow. Linda was a neighbor when we lived in Lake Park and also we shared the same loving uncle Bod Davis and our cousins Tom and Jeff Davis. We realize the pain in your heart due to having lost our Dad this past February. Everyday is another day you will learn a little more about coping with such a terrible loss; but in all honestly the terrible pain will ease. Never to go away, only ease. Your wife, mother, sister, and grandmother was a wonderful woman and it was a pleasure having the privilege of knowing Linda. God Bless all you.*

“ *We were so sorry to hear of Linda's death. I remember her growing up around Kim. She was always our go to person when we needed to talk. She was understanding and helpful to Kim & I as teenagers. She was our problem solver. I know her death was such a shock to everyone. I kept hoping she would get better soon. She will be missed by so many people. All of the family will be in our thoughts and prayers.*

“ *To Linda's Family: I met Linda when she worked at the Post Office and I have never known a better or nicer person. Linda was an inspiration to all who met her, she was a very classy woman and the hardest working person. My heart bresks for her family for she truly cherished them more than life and she always had something to share about them. I came to love and admire her when she worked at Bluefield and also at Whitewood. Linds's spirit will live on through all her goodness she left behind.*
