“ Dennis
Words can not express how very sorry we are to hear about Linda. She was one of my dearest friends from Mattie. We worked many nights together there in the OP & ER. She was a very special person and everyone loved her. I know that Heaven is rejoicing and her and William are having a grand reunion. We don't know what God has planned for our lives, but I do know that if we put our complete trust in Him that He can get us through the tough times. We will be praying for you and your family that God will give you that wonderful peace and comfort that can only come from above. You and Linda have been there for our family many times and we want to thank you. We love you. Jerry, Pat and Tammy.

Linda, was dear to our hearts. I never saw Linda without a smile on her face.
When I first heard of Linda's passing, I was in shock, then I thought what a wonderful reunion that she and Willie are having. In the quite moments when the hurt is hard to bare. May Gods love become your shelter, and the memories you have made, become your comfort. Dennis we love you, you have been a wonder pastor and friend.

“ I was so sad to hear of Linda passing away. I have always thought a lot of her even though I haven't gotten to see her much in the last few years. I have a lot of fond, loving memories of her and the way she would treat everyone with so much obvious love and compassion. She was a wonderful person and will be missed by many!

“ *Dennis, Brian, Goldie, Connie, Sue, Shelia, Ruth, Janice and Family,*

We are so sorry to learn of Linda's sudden death. I fondly remember working with her at the Mattie Williams. She always had a smile regardless of where she was. We know she will be greatly missed not only by your family but also by her many friends. May you be comforted by the prayers being lifted for you, embraced by your memories and held in love by your faith. Our deepest and heartfelt sympathies! We will have you in our thoughts and prayers.

May this poem give you comfort.

Heaven And Earth

*When the warmth of the sun touches my face,
I see your smile and feel your embrace.
I hear the whisper of love in the wind
And I know that you are close to me again
The rain speaks of tears and the thunder of pain,
But soon the sun comes the earth to reclaim.
As the days come and go and the world moves on,
I know you're still here, you'll never be gone.
On the night the Angel came and took your hand,
We cried as you left for an unknown land.
But Heaven rejoiced as you came into sight,
For your soul was a diamond, shining so bright!*

“ *We are so sorry for your loss. Linda was such a sweet person. Every time I would run in to her she always asked about the family and was so friendly. Like the preacher that was at our church the other night said he wanted to preach his funeral while he lived. I believe your wife done just that. You could tell by talking to her she was a child of God. She has finished her journey and is at home now. She will be missed down here, but our loss is HEAVENS gain.
