“ I'm to sad to read this. Linda took a great interest in my daughter years ago when we put out a donation jar at her store while my daughter was taking chemotherapy in JohnsonCity. We had lost touch. I hate that I didn't stay in touch with her after 2009. Prayers for the family.

“ Linda was a good friend for many, many years. She always was smiling no matter what the situation was. We spent a lot of time together when our kids were small. We didn't get to see each other very much in the last few years, but I knew at anytime she always had her listening ears on. She will be missed by so many.

We want you to know that our thoughts and prayers are with you all.

“ When I knew Linda we were very young children in Walkertown N.C., I can still remember loving playing with her. She was so very sweet. There's very few things I can remember from my early childhood but she, and her family I can. I just connected with her through social media. I wanted so badly to try and meet with her but that was not God's plan. Love you Linda and Danny. I will be praying for the family.
