“ *Dear Donna & Ken, Ryan, Katey, & Jonathan, My thoughts and prayers are with you during this time. I know, Donna, that your mom, was a woman who took her responsibilities seriously - from taking care of her husband in his illness to making her own decisions about her own illness. I pray that many happy and comforting thoughts will come to your mind and that you will all feel God's strength and peace during this difficult time.*

“ Terry,
I am so sorry I couldn't make it to your Mom's service. I planned to come but as Gene told you-I caught a terrible bug I still can't get rid of. But anyway, I wish I could have been there. I really liked your Mom. She and I have talked about alot of things and alot of people in the Food Lion parking lot!!!!
Again, my thoughts were with you and your family. Take care and keep in contact.
Love,
Joan

“ My deepest sympathy in the loss of your Mother and sister, she was such a special person. She surely worked so hard when Don was sick and she was so very good to him. I was so sorry to hear when Brandon told me that she was sick.
My prayers are that God will send you each peace and comfort.
May God richly bless each of you.
