I didn't have the pleasure of knowing Harold's mom very well, but seeing his good character and hard work ethic, I can't help but to think he got it from her. I'm sure she was a special lady who will be missed by all who knew her. Heaven has gained from her family's loss. - Mike Horn

Aunt Lola, I will miss you. Thank you for giving me a home for the first few months of my life. You and uncle Bill will always hold a special place in my heart. Say hello to dad for me please. Boys you had a great mother, she will be missed by many. God give you the grace to get through this, it's not easy, but knowing that she is with Jesus should fill the heart with gladness.

Lola and I were childhood soulmates. We were in the same grade in school from second grade, at Jolo Grade School, Raysal Grade School, Bartley Junior High School and Big Creek High School, until I left school in the tenth grade. Because of our names, a lot of people, especially upon first meeting, thought we were twins. She was my confidante and I hers. Although we haven't seen each other in a number of years, she was frequently in my thoughts.

My thoughts and prayers go out to her family, especially Nola.
