“ To: Carrol and Family:

Lonnie and I were the best of friends and worked closely together at the Tazwell Co. Sheriff's Office for more than 20 years. We never once had a disagreement or working problem that we couldn't solve in a friendly manner.

Lonnie and I talked about many things that we planned to do this year and in years to follow but sometimes god has other plans for us. Lonnie was a good Christian person and I guess god had other plans for him so that is what we have to try and understand. Lonnie will be missed by all who knew him.

May god bless and help the family get through these trying times.

Carrol, if you or the family ever need anything that I can help you with you know how to contact me. Love you all:
