“ We are truly sorry for your loss. Loretta was a wonderful woman and touched all of our lives through the years and we will miss her terribly. We were not able to be there with you but please believe me when I say we are all thinking of you and your family.

A Message from Heaven

*When God created the Heavens and the wonderful thing called birth,
he blessed the Keen family by sending an angel down to earth.
We always knew she was special we felt it in her touch, her soft spoken voice with words that meant so much.
Never complained never gave up an angel through and through,
touched the lives of her brothers and sisters and everyone she knew.
Don't think her life is over because now it's just begun, God brought her back to Heaven and placed her in our arms.
All my loving children Mommy and Daddy are waiting for you
we are here with your sister
and our love is there with you*
