“ Jean and Don,

I remember Mrs. Smith with much love and respect from the many years I worked at the Medical Center for Dr. Claustro. She always brightened my day and made it better. She made such an impact on my life with her love and charity and generous loving spirit that after all these years I have never forgotten her or her beautiful smile. She was truly a GREAT LADY and will be missed by all of us. She touched so many lives in such a positive way. What a great legacy to leave behind!

“ *Dear Don, Jean, Rocky & Kelly,*

We are so truly sorry for your loss of Mrs. Smith! To live 99 years is such a wonderful thing and hope that all the many memories you have of her will sustain you through this difficult time. Due to work, I was unable to attend the visitation/funeral and Mom wanted you to know that she just couldn't go to the funeral home so soon after Daddy's passing. But please know that you are all in our thoughts and prayers! "God Bless"

*With Sympathy and Love,
