“ So sad to hear of Louella"s passing. She was a dear friend and classmate. Even though we drifted apart after high school; she was always in my heart as a dear friend. She was always kind and always ready to listen; we shared many laughs together. Now that sweet smile graces heaven.

“ I remember us growing up together in Seaboard. We went to the same church, school. She was always laughing at some of us for acting so silly. She was a good friend. She was healthy last time we saw her and Rex at the church they attended last.
