“ *To all the family: I loved your Mom and Dad. They were such wonderful friends. I had the pleasure of being the teacher of all you "kids". You were all good athletes as well as good academic students. I have wonderful memories of all of you, each different, but all very similar. I love you. Praying for God's love and peace for all of you. Sandra Cole*

“ *My most treasured memory of Fred and Theadocia was when my two oldest son's Billy and Jimmy were very young my husband had left us and we were staying with my Parents Oralis and Pinkie White who lived on White Mountain it was Christmas and I didn't have any money to buy them anything for Christmas.Fread and Theadoica came by and asked me if I would go with them to Bluefield they not only bought my children presents they let me go to their house and work to pay them back. They made me feel better about not being charity . They were always my good friends and my Family and I loved them both .*
