“ *I will always remember how funny you were. Ethan and I enjoyed visiting with you. I recall him seeing you one day when you were walking in Raven and him insisting I stop. He was so excited when you told him about your time you served in the war. When he would tell people that he had an uncle who served in the war- it was obvious he was so proud of you. You will be missed and even though we did not see you much we loved you dearly.*

“ *Red I have known Red for many years and I will greatly miss seeing him walk up the road in Raven. He was a great person and I am sure the Lord and the angels are welcoming another angel home.*
