“ *I am so sorry to hear of the death of Mac. I grew up with him and his brother and sisters on the Creek. Although in later years I did not know him well, I know his leaving will create a void in the lives of his family members and friends. May God bless and keep each of you in his care!*

Sorry I can not be there due to suregy, but I want you to know that Mac will be missed by all who knew him. He was always the same, just Mac. He told me that him and God had it all worked out, so all we can do is believe that we all can see him again in heaven.

The bible says that Jesus is the good shepherd and that he knows his own, so let us take comfort in knowing that Mac is in a better place, and there is a better day coming for all of us.

Know that my prayers and thoughts are with you all during this terrible time.

God Bless
