“ *Logean-You are my heart. You are the mother that I never had and you gave me that gift many years ago. You helped me with Beth & Kristi and you were the rock that I leaned on -the sunshine when I needed it. You are so truly loved and I am honored and blessed that you were "my mom" not by blood -but by bond. That bond will never be broken. I feel your spirit with me and I see your smile. You are my heart and I Love you now and forever. You have peace, happiness and warmth in heaven with Ron Keith. Be happy my sweetheart - You took care of us for many years. Now rest and be in peace. My love is with you always!!*
