*Debbie,Dennis,Danny and all the families I was so sorry to hear the news of your losing a loved one.I pray for comfort for all of you especially your Dad for I know what it is like to no longer have the love of your life with you.I was with and took care of Willard during his sickness and never left his side and that was the hardest thing I ever had to do in my life was to walk away from him that day at the hospital when we lost him.No one can sympathise untill they have been there.I love you all dearly.....Karen Wagner*
