Jimmy & family,

*I've known Peggy, Sue & Mike since they were children. I am reminded of a picture in our family album of an early childhood picture of Peggy & Sue all dressed up in their Easter dresses. They were cute! George graduated with me from Big Creek High School in 1965. I am so saddened to hear of Peggy's passing. You know her heart of giving to others, so continue to do, what she loved doing most. Sending my love and condolences to the Gibson & Whitt Families,

*Mr Jim, Beth, James, Rebecca you have my deepest condolences. I hadn't seen MsPeg for sometime. In times past we could go for a few months to a few years without seeing each other, then when we did happen to *bump* into each other we could pick up with conversation as if it was just yesterday we'd seen each other. Keep her memory alive and she will always be there. I pray God will give each comfort and guidance to get thru the rough times ahead. He will wrap each in his strong comforting arms and give you guidance if only you ask. Sending my love and friendship to each and if there's anything I can do to help, please don't hesitate to give me a call. As you know I have a warm heart, broad shoulders and listening ears for my friends.*

“ I remember the first time I ever saw Peggy. She was wearing a Coalwood Jr. High cheerleading outfit and thought how magnificent she looked. She smiled at me and I watched her during the game. I heard her laugh out loud at something funny one of the girls had said. I remembered her laugh when I heard it again at a dance at the Carretta post office building. I was introduced to her and her sister, Sue. I've been a fan of the "Whitts" ever since. Later, we became very dear friends and I had many times with her sharing the laughter. She always had some funny story about her children, and then her grandchildren. She could light up a room just by stepping one foot in. I never knew of her talking bad about anyone. She is the type of person that you want to have around you, so you will act better than you normally would. Those types are few and far between. I was blessed by having that type of person as a friend. I will miss you, Peggy, all the rest of my life. If I make it to Heaven, I will listen for her laughter and go to her immediately. God Bless the family during this dark time.
