“ *This is a very sad time for all our family. We all loved her as a sister. But the Lord wanted her with him more. She is cancer free now, no more pain & suffering. Thank you Margaret for coming into our lives, if but for a little while. You have made such a difference. Sleep on until we can be together again. Family , love each other & care for each other, that's what she would have wanted. God be with all of you is my prayer. You don't know how much I wish I could have been there with you all. But my heart is there, with you! I'm sick with my eyes & afraid to drive that far. Take care & God Bless all of you !*

“ *Sammi, I am so sorry for your loss..Margaret and I have been friends for many years...I remember when I moved in the trailer park and realized that Margaret was my neighbor I was so excited that I knew somebody and then found out that we both had girls the same age...We had some good times there and memories that I will carry with me forever...We've had fun with you girls never knowing what to expect from you and Kayla...I want you to know that I will always be here for you no matter what you need...Your mom and I always said that we would watch out for each others girls...That is a promise I will always keep....It seems like you have been with me as much as Kayla has....I love you dearly...*
