“ So many memories I am really not for sure which one to choose! Thank you for being the most amazing Aunt I could ever have asked for! You always had faith in me! Thank you for taking me to church ever chance you got! I remember Elmer telling me the night of our wedding that you asked him to park your Cadillac, he said you didn't trust just anyone to park your car. I guess you figured he was a pretty okay guy! As an adult I've visited you, we have laughed and cried together many times! My girls thought the would of you! When I told Hallie and Whitney that you had gone to heaven, Hallie asked, "Mommy where will we go now on Halloween and Christmas?" I told her we would figure it out!! You will be missed more than you can ever imagine! I love you rest in peace!
