“ *I would like express my most sincere sympathy to the Lankford family at this time of such personal loss. I had not seen Mark nor Jane and Alan since we were just kids, at family reunions in happier times. Since I am several years older than they, they may not remember. I have seen Agnes a couple of times over the years. Bernard and my father, Woodrow, were very close as I remember. Please know that my thoughts and prayers are with you all.*

“ Lankford Family,  
Please know our prayers and thoughts are with you. We have been neighbors for many years and watched as all our children grew up. Your loss is in part our loss as families who were next door to each other. We lift you up in our prayers and if in any way we may help we stand ready to do so.
