“ Dear Joe and Family:

It sure is hard to believe that Jane is gone! But at least she no longer has any pain and I know you are glad for that. It's hard to know what to say, especially because we cannot come to the service, but please know that our thoughts and prayers are with you and the family during this time and afterwards.

“ Dear Dr. Adair and family

We want to extend our sympathy to you and your family at this time. Please know that we are holding you close in our hearts. Jane was a lovely lady and dedicated Christian. Her witness and service to the United Methodist Church will always be remembered. I particularly recall what a blessing she was to the Tazewell District when I was privileged to serve as its District Superintendent. She leaves a beautiful legacy of faith. Now, may God bless you and give you added strength at this particular time.

Love and prayers,

“An Angel's Kiss”

By: Peggy Bouse

*We go through life so often,
not stopping to enjoy the day.
And we take each one for granted,
As we travel on our way.
For in your pain and sorrow,
An Angel's Kiss will help you through,
This kiss is very private,
For it is meant for only you.
We never stop to measure,
Anything we just might miss.
But if the wind should blow by softly,
You'll feel an Angel's Kiss.
A kiss that is sent from heaven,
A kiss from up above.
A kiss that is very special,
From someone that you love.
So when, your hearts are heavy,
And filled with tears and pain,
And no one can console you,
Remember once again...
About the ones you grieve for,
Because you sadly miss.
And the gentle breeze you took for granted,
Was just an Angel's Kiss.*

Our sincere sympathy to all the Family. Be Thankful Jane is no longer suffering and is in a much better place...sitting along side of all the precious Angels already there, watching over us. May God wrap you in His arms and His love guide you in the days ahead as you cope with your loss.

Our Love and Prayers are with you.

“ *Dr. Adair and Family,
Thank you for sharing this lovely lady with us all these years.*

I didn't know her well but I knew of her "very well" and sometimes that says it all.

She was a classy lady with the greatest smile.

May God Bless You All.

“ Joe Milton, Beth, Anne, Carolyn, Sullie, and all the related inlaw and outlaws!

Greetings!

We celebrate with you the life of Jane Adair, our beloved cousin and friend. Her passing is a great loss to us all, but her life has been such a great blessing. You have known her as wife and mother and grandmother and sister and sister-in-law and mother-in-law. We have known her as "cousin" [as the beloved wife of a tolerable first cousin], and we are enriched by the knowing. Jane's smile, gentle demeanor, Virginia-laced voice, and positive outlook are elements forever locked into our consciousness and therefore part of who we are and what we are. Her heart, like her door, has never known a lock when it came to family and friends. She was beloved by Grandmother Adair and by all of the Claypool, Kentucky, community. She was more daughter than daughter-in-law to Charlie and Alice, and the most wonderful friend and neighbor to all of the family there on the mountain. She was our fellow traveler for a time on this spinning orb and now we must travel on without her. Yet her memory will be our companion forever. There is a Heaven and a loving God and she is there in the inner circle --waiting and smiling.

Our love to you all.
