“ Sharon, Joyce and Mike, We wanted to say how deeply sorry we are for the loss of your father. We share in your grief, as we all loved Marvin deeply. He was the finest neighbor and such an amazing and wonderful man. We all enjoyed visiting with him and talking to him, he always had a story and a laugh for us all. He will be deeply missed by everyone that knew him. Logan loved to visit with him and talk wrestling, and Logan will also miss him greatly. Sharon, if you should need anything at all, please let us know. Just give us a call, or come and knock on the door, we will be here to help you with anything that you may need. My mother and I are so very sorry that we were not able to be with you all today, but my mother is sick and Logan has pneumonia. Your family will be in our thoughts and prayers, today, tomorrow and always. May God bring you peace and comfort during this very difficult time. We love you all.

Bea Shelton, Becky and Logan.

“ In Loving Memory of my great-uncle, Marvin Nelson...

He was one of the best uncles I could ever have or hope for. For the past several years, if a week or so went by without me going by to see him, he always called to ask what I was up to and telling me to come on by to see them.

I will miss those calls and our visits on his porch and in the quaint little kitchen, so adoringly decorated with roosters. I know so many others will miss him too, especially his children, grandchildren and other family members, along with everyone that knew him. His wife, my great-aunt Gaynelle Mitchell Nelson, passed away 3 years ago (November 17th), continues to be missed and loved by everyone too. The two of them were always looking out for us our whole life through as they did for so many others who were blessed to have them.

When we were growing up, Uncle Marvin and Aunt Gaynelle, always let me, my older brother, Harold Meadows, and little sister Donna stay with their children, Michael Nelson?, Sharon Nelson?, and Joyce Mullins? . We were at their house almost as much as we were at home or we would all play at my great aunt Hazel Mitchells house with more cousins and friends.

At Marvin and Gaynelle's we each had a playmate our own age... Mike and Harold, Sharon and me, and Joyce and Donna would pair up or sometimes play all together. Over the years we compared ourselves to the Brady Bunch, except there were only two boys and four girls. Uncle Marvin had to call us down for being too loud many nights at their house. Especially me and Sharon. He was always so sweet about it. He would just say, "now girls, you all quieten down so we can get some sleep".

Uncle Marvin knew how much he was loved and we were all fortunate to have him and Aunt Gaynelle in our lives. Please keep their children, grandchildren and everyone in your prayers as they

go through this difficult time of losing such a wonderful man.
