“ I would like to offer my condolences to the family of Mr.Ratliff.

We always think that the man of the family is the foundation that makes everything work, but we also must know that the strong man that builds this foundation produces strong minded sons and daughters by giving of himself through years and years of hard work, love and directions. This is the legacy left behind that one can see through Mr.Ratliff's family.

Forever hold on to the legacy that your father has left for you. Step back and look and see that he is in you. He will be with you forever.

I know it is hard to accept things at times, but I also know that you must believe through faith that everything will be okay.

Hold on to the foundation already built, as it weakens, he will always be with you to strengthen it.

My thoughts and prayers will be with you and your family.

“ *May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. I have fought the fine fight, I have run the course to the finish, I have observed the faith-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me-Psalms 3:5.*
