“ *Jerry, James, Pat and the entire Davis family,
My life has been blest having known your mother. She always had a warm loving smile for everyone she met. She made a big impression on a very young radiology tech back in the 70's and 80's. A lot of the patient treatment skills I learned came from her and other great nurses at the Old Mattie. On a more personal note is was great to call her friend and neighbor for all these many years. She has fought a great battle and won. May the love of the heavenly father be with each of you.*

Love

“ James, Jerry, Pat and Lisa
Mary was one of the finest women that I had the privilege of
knowing and working with. I loved her dearly. She always had that
smile on her face, even when I knew she wasn't feeling well. She
was a wonderful wife and mother and friend. She was always so
good to my mother when they worked together and she never failed
to ask about her everytime I saw her. I could go on and on about
how special she was, but you already know that. She was a hard
worker and someone that really appreciated life and she truly did
love the profession she chose. Jerry and I will be praying for God to
comfort and bless each one of your family. In loving friendship. Pat
and Jerry.
